## Overview

---

TOLEMAI is beautifully maintained and ready to be enjoyed by a new owner. Fresh out of a June yard period with RINA Class inspection, she is the newest of the San Lorenzo SD112's on the market and features the same fuel-efficient long range, and good seakeeping attributes of her sisterships as well as a number of upgrades. Her low engine hours combined with her light family usage by her original and only owner, VAT Paid status, and recent RINA Class inspection done, make her a rare find in today's market. Offered for sale due to her owner's desire to move up to a larger yacht, TOLEMAI is ready for immediate service to a new owner.
