Overview

Gitana is offered for sale in turnkey condition following the recent completion of a multi-million-euro refit at the Feadship De Vries shipyard in the Netherlands. The design brilliance of John Munford coupled with the exterior styling of Guido de Groot and the unparalleled design, engineering, and detailing expertise of the Feadship De Vries shipyard, led to the creation of this trendsetting 499 GT motor yacht, which so elegantly bridges the gap between classic Feadships and the more modern, higher freeboard designs. Kept in private use since launch, GITANA has been meticulously maintained. During her recent refit, she had a full repaint, engineering overhaul, and completed her 25-year Lloyds class survey, leaving her in pristine condition. Key features:

-Feadship pedigree-Excellent ownership and maintenance history-Only ever privately used-Full beam master on main deck-10+2 guests in 5 cabins-Recently completed a multi-million Euro refit at Feadship including full repaint, engineering overhaul, 25-year Lloyds class survey
