SPECIFICATIONS

Overview

NARNIA has Italian flag and VAT paid status. The first and rare Magellano 53 in stylish light gray interiors "Ash Oak" - was built specifically for Cannes Yachting Festival 2016.

Since 2016, the yacht has been located in the Mediterranean Sea, changing spots from Italy to Majorca and the south of France. She was cruising only as a family boat, mainly on short routes for daytime trips and for this reason the cabins were practically not used by guests. To a large extent, NARNIA spent the 2021 and 2022 seasons in the berth due to the inability for the owner to find time to vacation on board.

Many options are installed, including the Williams 325 tender. The yacht has undergone full service, including engine service, generator, application of a new antifouling coating, tender service, washing and dry cleaning, polishing etc.
