SPECIFICATIONS

Overview

Navetta 75 displays the design innovations that make Absolute recognizable and admirable worldwide: surprisingly wide windows for an immersive visual experience, high ceilings, rooms arranged on a single deck and covered walkways accessible from the inside, both from the kitchen and from the raised helm station.

Already a success on Flybridge and Coupé range boats, Navetta 75 also features an aft terrace cockpit with a glass rear parapet; the owner will be able to furnish it as desired to enjoy breathtaking views from here.

Finally, the boat features a bow master cabin with private access, luxury furnishings and premium finishes.
