SPECIFICATIONS

Overview

The Pursuit 2460 Denali is the boat that started it all - the highly versatile, exceptionally rugged Denali sport-utility vessels. With this boat, cruising, fishing, skiing, diving and picnicking are all possible in comfort and style. Superb engineering and top-quality construction keep this boat, and her passengers, dry and stable. Standard equipment is extensive and topnotch. Aft is a roomy cockpit with plenty of cushioned seating, including a new bench seat integrated into the motorbox that tilts to reveal a cooler and fish box. The cabin sleeps two and has a Raritan china head with a holding tank. An interior lighting package supplements the Bomar skylight deck hatch.
