SPECIFICATIONS

Overview

Built in GRP by Italian yard Arno to an exterior and interior design by Andrea Bacigalupo, MAZAG was delivered in 2007 as one of the yard's Leopard 27 series. She features a bright and airy interior with a modern design and contemporary fittings. Accommodation is for six guests in three cabins consisting of a master suite, a double and a twin cabin, all with entertainment systems, televisions and en suite bathroom facilities.

Exterior areas are generous and feature a spacious open aft deck with al fresco dining facilities and a large sun bed, along with ready access to the swim platform for water sport activities. The forepeak has cushions and a small Bimini top, ideal for lounging in the sun in complete privacy. Indoors, the large windows in the upper saloon and an electric retractable roof offer the interior a feeling of space as well as great views. The area is spacious and has comfortable seating, a full entertainment centre and a dining area. There is an additional lounging area below deck with an LCD television screen. Meanwhile, twin 2,180hp MTU engines linked to Arneson surface drives give her a cruising speed of 34 knots.

Key Features:

- One of the last Leopard 27 built- Best engine version MTU 16V2000M92 - 2180hp each- Second owner since new- 2100 hours on her main engines and 3500 on her generators (August 2024)- 3 guests cabin version for UP to 7 guests with the pullman bed in the twin cabin
