SPECIFICATIONS

Overview

"La Sirena" is a prime example of a captain and crew maintained vessel that was done with an open checkbook. She is outfitted to be just as comfortable family cruising or tournament fishing. She has a two stateroom layout with an additional pullman bunk in the salon that allows for a spacious area to gather while also still sleeping a family of 6. The bridge deck was highly customized to provide an extra space that is comfortable to hang out either at the dock or underway. The tower and cockpit have been rigged for any style of fishing you can throw at it. This is an opportunity to purchase a low hour vessel that has been owned by a very experienced multiple boat owner.
