SPECIFICATIONS

Overview

This beautiful Predator 57 from 2017, has a sleeker sportier profile than the standard offering from Sunseeker. The use of modern materials including carbon fiber are impeccable while accommodating six guests in 3 sumptuous cabins + crew. Stepping inside the living area, one is immediately struck by the the high level of finish and refinement on board. From the top-brand galley appliances to the navigation equipment including stabilizers (at anchor) GPS, chart plotters and radar...It's all "latest generation" gear. The aft of the yacht is just as sophisticated using a teak planked hydraulic platform that can accommodate a jet ski for those adrenaline seekers or a jet tender for an all round use including waterskiing and inflatable toys towing.
