SPECIFICATIONS

Overview

Available now. 1988 Tartan 34-2. Very good condition. The Tartan 34-2 is an updated version of the earlier Sparkman & Stephens design of the Tartan 33R. This new design has an extended stern and modified interior. WIMSEY is one of 110 Tartan 34-2's designed by Sparkman & Stephens and Tim Jackett, produced between 1984 and 1989. This popular shoal draft model with the "Scheel keel" draws a modest 4 feet 5 inches, perfect for tucking into shallow, protected anchorages.

The Tartan 34-2 was designed to be a comfortable performance cruiser built to Tartan's exacting standards. With plenty of room below for extended cruising and a friendly sail plan, she will surely make one's time on the water enjoyable.
