SPECIFICATIONS

Overview

Skillfully designed by Sunseeker International in 2020, the 16-meter Predator 50 yacht elegantly combines versatility with great dynamics. Whether you wish to embark on a day cruise or a longer haul voyage, she is the yacht to get you there in comfort and style.

Every inch of this luxury motor yacht has been thought out in detail. Optimum comfort has been achieved through modern amenities and a well thought out layout.

The yacht is equipped with twin Volvo Penta D8 engines with a capacity of 600 hp each. On the main she features an impressively large cockpit, not typical for a yacht of this size. It is equipped with parallel sofas and an opening roof, allowing you to experience sun and shade as required. For relaxation, a U-shaped sofa group is installed on the front deck.

The tender garage easily accommodates a Williams 325 Turbo Jet for water entertainment.

Additionally, she features Seakeeper 6 Gyro Stabilizers, a hydraulic bathing platform, air conditioning throughout and many more additional upgrades.

The yacht is located in France and is available for viewing at any time by prior arrangement.
