SPECIFICATIONS

Overview

Originally delivered in 2013 for the then Owner of the Oyster Yachts shipyard, Twilight remains Oyster's flagship and largest yacht built to date, and has only had two Owners from new. Designed by the late Ed Dubois and cleverly coming in just under the 200 Gross Ton threshold, Twilight is a powerful performance cruising yacht with the kind of space and volume you would normally expect on a 45 metre sailing yacht with much higher running costs.
