SPECIFICATIONS

Overview

“Parabolic” is the only Horizon FD80 Skyline 2022 currently available. This 2022 has only 105 hours on her main engines, and was customized early in her build to the specifications of her owner. Amongst her extended list of \$600,000 factory extras are the upgraded MAN engines to 1300 HP , an increased lifting capacity on both the davit and swim platform, and the addition of a custom designed hot tub on the bridge deck. The interior throughout the yacht is finished in light anegre wood with highlights of walnut, and ash flooring
