## Overview

---

**Cecil Wright is delighted to announce their appointment as the Central Agent for the sale of GOOSE, the 45m British built motor yacht, which will be available to view at this year's Monaco Yacht Show - asking €4,950,000 (excluding tax).** Built to Lloyds class by renowned UK shipyard Tough Brothers and completed in 1987, GOOSE was launched originally as BRAVE GOOSE - the second yacht by the same name belonging to the late Sir Donald Gosling. She was rebuilt in 2000 and has been meticulously maintained ever since with the most recent significant work taking place in 2021/2022 and has just passed her Lloyds 5 Year survey. GOOSE can accommodate up to 10 guests across five deluxe suites comprising a full-beam master stateroom on the main deck with a further four en-suite guest cabins positioned amidships on the lower deck for maximum comfort. Further accommodation can sleep a crew of ten to ensure a high level of guest service. The contemporary but country style interior for GOOSE was conceived by H2 Yacht Design and features delicate walnut and ash wood panelling and fine soft furnishing fabrics in the expansive interior guest lounge. There is ample deck space for across her tri-deck layout, including an enormous 70m<sup>2</sup> sun deck outfitted with lounge furniture and sun pads. Her bridge deck is home to an additional lounge and al fresco dining space with bar and the main deck aft is the perfect location for a party! GOOSE represents the best from the golden age of British Yacht building and is a unique offering in the market.
