SPECIFICATIONS

Overview

This catamaran boasts incomparable levels of living space including a huge open-plan cockpit designed for entertaining with an integrated BBQ. A custom-made marble dining table sits center in the outdoor cockpit.

Layout: 3-cabin Owner version featuring an expansive master suite that occupies an entire hull complete with a beautiful light-filled and comfortable bathroom on the port side. Additionally, there are two generous guest cabins in the starboard hull complete with full, private heads.

The foredeck has been fitted with a decadent sun lounger, while the expansive lounge deck is a sublime retreat for relaxing and taking in the spectacular surrounds.

The 47's exquisitely crafted saloon is bathed in bright natural light, and her comprehensively equipped ambient galley has an island bench plus an abundance of storage making it ideal for extended cruising.

Through large sliding doors and a sliding window, you find an innovative galley with a very practical layout. It comprises an L-shaped galley to port, with two fridges, sinks, plenty of countertop and storage but adds a simply designed island amidships.

There is a corner-mounted convection oven and countertop stove along the port side.

The settee is L shaped and is sumptuous with deep comfortable cushions, a fantastic area for putting your feet up and relaxing while others are working away in the galley.

The large windows, skylights, and indirect lighting make this a most agreeable salon with exceptional light and visibility when sitting or standing.

A hi-low dining table is an option. It can revolve and expand so it's close to the settee at table height or when lowered fully makes an extra berth. Or it can swivel, so you can use it as a smaller coffee table with plenty of walk around space. (The coffee table is standard).

Basic Information
