SPECIFICATIONS

Overview

This Sunseeker Manhattan 52 is second hand and is in excellent condition. The current owner has spared no expense or effort in keeping this yacht up to date. The entire interior was originally painted in white by the Sunseeker shipyard in 2009. The sofas, bench seat at the companionway to the galley and Besenzoni chair at the helm are upholstered in brown leather, giving Manhattan a bright and accented look. The owner's cabin is located amidships with en-suite bathroom. With the VIP en suite cabin and the third cabin with twin Pullman beds, the Manhattan offers ample space for six people and every comfort imaginable. The flybridge has a large sunbathing area next to the helm and the U-shaped seating area with table offers plenty of space to relax. A custom-made mesh sunshade on the side and rear of the bimini top provides ample shade for the flybridge. A dinghy can be stowed on the lowerable bathing platform.

This Manhattan 52 with its interior manufactured by Sunseeker International in 2009 is a real eye-catcher and unique.
