### **This 63 Flybridge will take you to a new level.**

Generous customized spaces at an incredibly value is what distinguishes this beautiful yacht.

From the freedom of the flybridge, to the comfort of the salon or her three staterooms below, the Dyna 63' Flybridge offers a surprising amount of space thanks to thoughtful design and innovative engineering. Dyna maximizes the use of both outdoor and indoor spaces, offering generous sunning, social and shaded areas for a dozen of friends.

The spacious Flybridge makes the most of the outside space and can be customized for any lifestyle.

The upper helm station gives the owner/captain a broad view, comfort, and technology needed to operate from the Flybridge.

The broad bow sun pad provides breezy sunning in cushioned comfort.

Owners have a choice to have the galley placed aft, which puts it and the bar close to the salon entrance. The other option is to have it midship which expands the indoor seating and social area.

As with all Dyna vessels, the configuration and design of the space and furnishings can be custom built to complement your boating lifestyle.

The full-beam amidships master suite invites peaceful respite. Ample storage, entertainment system, and in suite head complete the setting.

Accessible from the swim platform or the aft deck hatch, the spacious crew area is fully functional and can comfortably sleep up to two crew or guests.

Fully customized to the most discriminating tastes, this vessel's generous interiors combine rich textures, fabrics, and finishes, creating sophisticated and functional spaces tailored to your lifestyle.
