## Overview

---

The name Chris-Craft is synonymous with boating, since the launch of its first boat in 1874. The Constellation line was considered the most luxurious Chris-Craft when it was first introduced, and the top of the Chris-Craft line. They were built in the company's Swansboro, NC facility. *Mr Capricious* is one of these grand ladies, which makes the most of her 50' length, offering 3 staterooms and 3 heads. This boat makes an excellent live-aboard with so much living space, and separate areas including an upper and lower salon. There is plenty of room for entertaining.

*Mr Capricious* has the great "bones" of a legendary Chris-Craft, and is ready for a new owner to outfit and personalize her to their own tastes and décor aesthetics
