SPECIFICATIONS

Overview

This Sea Ray L650 Fly Dream Time was designed to compete against top-tier European brands in both luxury and performance. Built to be run by an owner/operator, she features 4 staterooms, 3 heads plus a crew cabin with head, a quality not normally seen on yachts of this size.

The upper-level layout consists of two settees found to both port and starboard as you enter, with a galley forward to port and a comfortable dinette to starboard, just behind the lower helm.

Dream Time has plenty of space for entertaining with two dining areas on the huge flybridge and the chaise loungers forward of the helm convert to sun pads. Additional features include a hydraulic swim platform, hardwood salon flooring, recessed foredeck seating with table, bow/stern thrusters, separate washer and dryer units, and gyro stabilizers. Cruise in the mid-20s with Cat 1150hp C18 engines.
