SPECIFICATIONS

Overview

The first hull of one of the latest and most successful models of Azimut Yachts - **68 Flybridge!** The yacht is in the most complete set, including specially developed design solutions by *Achile Salvagni* (external sofas, hull painting). The layout was chosen with an enclosed galley at midship (next to the helm station). The model features an incredibly spectacular exterior design by *Alberto Manchini*, extensive glazing of the main deck, a "classic" deck layout and execution in a unique and recognizable Achile Salvagni 's style. In other words, it is the example of "clear", comfortable, convenient in everyday use and highly liquid motor yacht by brand №1 in the world. The ideal 70ft yacht is lying in Italy and ready for the coming season.

The yacht passed a strict acceptance by the dealer after the Cannes boat show in September 2021 and was not used by the client - the condition of absolutely new boat (technical inspection of generators and new anti-fouling - January 2022).

The reason for the sale is a change in vacation plans for the coming summer. Despite this, keep in mind that the **yacht will be available for purchase in Italy only until the end of April-beginning of May 2022.**
