SPECIFICATIONS

Overview

WILDBERRY was custom ordered and delivered to a family that operated it with a full time crew since new as they traveled the world.

She features a 4 cabin layout including a spacious master ensuite + separate crew accommodations. There is a large galley down leaving the upper salon entirely for entertaining.

Storage is some of the best that I have seen on a boat this size with the starboard forward bow compartment containing a workshop and dive gear storage all of which is temperature controlled. Center deck storage lockers are massive and currently are filled with toys, kite surfing gear, and spare parts so fantastic space to utilized especially when global cruising.

Shore power converters allow you the ability to plug in anywhere in the world with EURO 220v 50hz or US 110v 60hz without issue.

Both engine & generator 1000hr services are up to date and she received a new bottom job in March 2022.

Never chartered and always managed by a full time crew since new.

Pictures are brand new and a video walk through is being edited & will be added to the listing in the coming weeks.

Basic Information

Category: Catamaran
