Overview

NEW Generator, Hard Top, Solar, and So Much More!

This 411 Is Extraordinary!

Brown Eyed Girl is a highly customized and maintained version of one of Beneteau's most sought after cruising designs. Her owner of the past 6 years has transformed this boat into possibly the most upgraded 411 in existence. This boat is SPOTLESS inside and out. Her bilges are clean and dry and the interior could pass for NEW. The spectacular NEW custom fiberglass hardtop, dodger, davits, genset, and aluminum stern arch are what cruising dreams are made of. The full specs section of the listing should give you an idea on everything that has been upgraded over the years. This boat literally needs nothing, and that is a term that I would typically shy away from.

She's got a wonderful layout with 2 staterooms, 2 heads, fantastic galley, and a large cockpit. Beneteau hit all the marks with excellent tankage, an ICW friendly rig, and a draft under 5'.

Below is a short list of just some of the upgrades this vessel has benefited from over the past few years. Take a look at the full specs for a complete list.

Reach out to the listing broker for a link to hi-resolution photos.

- **NextGen 5.5KW Genset w/ 250 hours (NEW 2018)**
- **Custom Fiberglass Hardtop w/ integrated LED Lighting, Dodger, and Handrails (NEW 2021)**
