Overview

This sporty and high-performance 26m luxury yacht offers a very sleek and sexy design with a modern, warm and cozy interior, while capable of a top speed of 40 knots and cruising comfortably at 30 knots.

Thanks to her shallow hull shape and powerful MTU engines, combined with the famous Arneson (surface) Drive system, she is an easy and pleasant yacht to drive and a very fast way to move around islands and anchor close to shore.

Her new owner has ordered and planned the installation of a “zero speed” Seakeeper Gyro Stabilizer to increase the comfort at anchor.

M/Y Nineteen42 has a very unique layout and interior arrangement with 2 separate living areas and salons located on 2 different decks:

The upper salon is a very pleasant place to entertain in or simply chill-out. Its 360° surrounding windows offer light and views in equally superb measure. It features a finely stocked bar area and three wine cellars. Behind the helm station, the large dining table provides seating for 10 guests. The retractable hard top floods the interior with light or allows an amazing view of the stars at night.

The modern and spacious lower salon can be reached using a large and easy central stairway. The comfortable sofa and entertainment facilities make it perfect for guests who prefer to relax inside.

On the lower deck, the 86' Flyingsport can accommodate 8 guests in four cabins, including a spacious master suite, one VIP cabin and two twin cabins. In addition, it can also accommodate two guests in pullman beds. All cabins have their own with ensuite bathrooms, air conditioning, TV and sound system.

Even with her sporty design, M/Y Nineteen42 offers a lot of deck space and sunbathing areas, with a cozy lounge and sunbed arrangement on the bow, an exclusive sunbed on her flybridge and a larger sunbed on the aft deck facing an outdoor dining table for up to 10 guests.

Her garage hosts a brand-new Williams 395 Sportjet tender, 2 Seabobs, a Fliteboard and many toys.

Combining elegance, comfort and speed, this stylish 86ft yacht is definitely one of the best opportunities in her category.
