SPECIFICATIONS

Overview

FAST AND SAFEThe T8 is intended for day-to-day social activities, transportation, water sports and leisure activities. It is based on a newly developed air-lubricated stepped hull with excellent seafaring qualities and a low planning threshold. The T8 has a cruising speed of between 20-35 knots. "The T8 provides stable, safe and quiet performance, which makes it easy to operate the boat at high speed, even in poor weather conditions. The construction quality and excellent seaworthiness and handling, combined with superior speed resources, invite a more active style of driving that still feels safe and secure, even when really putting the T8 through its paces", says Joacim Gustavsson, Chief Designer at Nimbus.

Basic Information

Category: Sport Yacht

Model Year: 2022

Year Built: 2022

Country: France
