SPECIFICATIONS

Overview

The brand new Sunseeker Ocean 156 is the latest model to join the Ocean family of yachts. Boasting a much larger feeling of space than other yachts of its size and with extremely flexible design options, the Ocean 156 is set to be a phenomenon in every ocean across the globe.

With a completely enclosed upper deck and single helm station, the Ocean 156 leaves ample space on board for multi-purpose use, thanks to maximized internal volume and gross tonnage, especially in her seamless, extended saloon and upper deck area. The upper deck area has similarities to a Portuguese deck with more space, allowing usable, social areas for seating, sun pads and spa tub options. Throughout, design layouts are completely customizable enabling owners to personalize to their own style and practical needs. This is made more achievable thanks to minimal intrusions such as fixed furniture as well as single-level flooring throughout the majority of space on board.

Basic Information

Category: Motor Yacht
