Overview

The sudden shift in this owner's plans brings to the market this virtually untouched SEA RAY 320 Sundancer Outboard. Acting as the perfect embodiment of a "crossover" boat, it successfully blends the best aspects of an Express Boat, Bow Rider, and Cabin Cruiser. Powered impressively by Triple Mercury Verado 250 HP Outboards, it is also equipped with Joystick Piloting for full convenience. The boat has been LIFT KEPT, so there is no bottom paint to worry about. It also comes packed with a plethora of options, upgrades and the added bonus of 100-hour Mercury service already performed. Don't endure the frustrating wait of 6-8 months for an ordered SEA RAY. Take to the water this weekend instead. The boat also comes with an added safeguard of a transferable Factory Warranty.
