SPECIFICATIONS

Overview

The design philosophy of Riviera's Sport Yacht collection embodies three imperatives: sleek styling, luxurious single-level living and heritage sea-keeping capabilities. First launched in 2005, these world class motor yachts have gained a loyal following of owners who appreciate the sublime Sport Yacht boating lifestyle. Now the next generation has arrived: the outstanding result of Riviera's dedication to excellence, innovation and craftsmanship. And being a Platinum Edition, the 4600 Sport Yacht comes with superior appointments and amenity; greater luxury, gleaming colour palettes and aesthetics guaranteed to stand out in any company. The Riviera design team in collaboration with 4D Designs have created a very special yacht. An advanced hull design and leading-edge boat building methods have given our 4600 Sport Yacht many impressive features. An improved power-to-weight ratio means greater fuel efficiency reflecting Riviera's legendary blue water performance. A contemporary new profile creates more volume, offering a spacious cockpit, luxurious saloon and a generous three stateroom accommodation deck boasting a full-beam master suite. And there's so much more to enjoy in this superb 4600 Sport Yacht.
