We're inviting you to experience something very special – a whole new class of luxury motor yacht. By combining the offshore pedigree and open cockpit of the Riviera Flybridge Collection with the relaxed, flowing one-level living of Riviera Sport Yachts, we've created a yacht for both the adventurer and entertainer in you – the Riviera 445 SUV. This is blue-water living on a whole new level... The expansive open cockpit works beautifully in full cruising mode or can be easily adapted for diving, fishing and maximum adventure. Just look at how much friends and family will enjoy the 445 SUV's fantastic flowing, easy living design, not to mention the luxury, light and sweeping saloon views. World leading on board and engine room technology make the 445 SUV supremely easy to operate and skipper... for novices and experienced hands alike. You'll have silky-smooth Volvo Inboard Propulsion System (IPS) to power you, Volvo Penta Glass Cockpit Navigation and multi-function display screens to guide you and fingertip-easy, joystick maneuverability. Simply brilliant. Blue-water adventure seeking is a thrilling if sometimes tiring pursuit. Fortunately, Riviera designers have created a supremely welcoming, luxurious and restful environment below deck: You'll find two magnificent staterooms and two designer bathrooms where you can retire, unwind and restore. Some notable features include but are not limited to: Twin Volvo IPS 600 with DPS, stainless dinghy railing, oil change system, pressure water at bow and cockpit, BBQ center, washer/dryer, water purifier, AIS, twin Garmin 16 screens, sounder/transducer, Garmin GMR Phantom 24 closed array, aft and foredeck floodlights, engine, cockpit, awning and anchor camera, Walnut gloss timber interior, Flexiteak in cockpit, automatic Volvo trim tabs, upgraded AC, Wave WIFI Rogue Pro, G-Wind, Custom Cockpit table, Custom transom railings, Bluewater Desalination water maker and more.....
