SPECIFICATIONS

Overview

This is a FAST TRAWLER! The 2010 57E Marlow Explorer "Eagle Aye" is the perfect combination of fun and elegance. As you step onto the cockpit you will find ample space for entertaining, seating, and storage. Walking into the salon through a set of sturdy aft doors immediately gives you the cozy feel of home with two comfortable chairs to port and a settee to starboard. In this space you will find ample storage throughout, including underneath the settee. As you walk forward and up a couple of steps on the port side, you arrive in the pilothouse. Here you will find a gourmet galley aft, dining area forward to port, a centerline helm, and a set of stairs on the starboard side that lead you down to the 3 staterooms. As you come down these steps and arrive at the landing area of the companionway, you will notice the VIP stateroom forward, guest stateroom on the port side, and the full beam master aft. The master has an en suite head located to port. The VIP and Port guest stateroom share a head located on the starboard side of the companionway. Heading back up to the flybridge level you will notice the Open Flybridge style provides excellent 360° sight line of the vessel. This allows for a great view whether you are cruising or at anchor enjoying a meal al fresco on the dining area of the flybridge deck. "Eagle Aye" is powered by twin C18 diesel engines (1015 hp each) and a single 21kW Onan generator. Whether you are looking to head up the intracoastal for a sunset cruise or taking the trip of a lifetime to the Caribbean, "Eagle Aye" is sure to satisfy your needs.
