SPECIFICATIONS

Overview

Built in 1983, Showboat II is a unique vessel on the water that can offer a variety of recreational entertainment options such as: private charters, corporate or wedding events, or dining reservations. Overall, she provides a unique experience to passengers and owners alike. Imagine a fun and social setting for guests to enjoy each other's company while taking in the local sights by water. She has an indoor level and an open-air upper deck for a guest capacity of 118 passengers. There are 3 boarding points on the main deck including 1 that is handicap accessible, as well as 2 staircases that lead to the upper deck. Her spinning wheel is to port. An original custom design is painted around the bar and new ceiling tile has been installed. New camera systems have also been installed. Newer heat/AC units, bathroom remodels, and carpet replacement have been done within the last 5 years. The Volvo Penta engines were upgraded in 1998. Oil changes have been done every 2 years and drives replaced 3 years ago. Included with sale: tables, chairs, bar equipment including coolers and ice machine, salad bar station and chaffing equipment, and life vests for 123 guests. Linens, silverware, and alcohol not included. Showboat II is currently operating and located in Wisconsin.
