SPECIFICATIONS

Overview

One-level living from the galley aft to the cockpit. An inspired lower command helm with dedicated guest seating. Rarely seen on a motor yacht of this style and size, the master stateroom extends the full beam of the yacht. Every bit as opulent as the master, the VIP stateroom occupies the entire forward V-section with queen-sized island bed. The third guest stateroom is no less highly specified with twin adult-sized single beds. There are two bathrooms on the accommodation deck.

The technical credentials of the Belize 54 Sedan will certainly impress. Resin-infused composite construction, double vinyl-ester outer skin, watertight, stepped collision bulkhead and independent foam-filled hull compartments. CZone digital switching system, Glass Cockpit navigation and Volvo Penta Inboard Performance

System (IPS) with joystick docking.

A limited number of Belize Motor Yachts are built each year. This means that you will own and command something quite different and unique.

Basic Information
