SPECIFICATIONS

Overview

Lady Goodgirl is one of the few surviving classic gentlemen's motor yachts of her era. Unusually for the time of her build she has a generous beam and is therefore unusually spacious for her age. This leaves her, uniquely amongst her peers, as a very practical, usable yacht which has genuine vintage charm that also enjoys a master suite on the main deck, a full sundeck saloon and massive open deck spaces. She has been impeccably maintained and is complimented by magnificent period detail throughout. Yet, underlying this is a fully modern engine room with fully updated machinery and systems including zero speed stabilisers. Since her purchase in 2010 by the current owner she has enjoyed an almost unlimited budget of annual winter refit works. Key features:- Impeccable maintenance- Zero Speed Stabilisation- 5 Spacious cabins including an on-deck master- Huge open deck spaces- Full Sundeck Saloon
