SPECIFICATIONS

Overview

2009 Tiara 2900 Coronet, The Perfect boat for coastal areas, she has an awesome layout in the cockpit to accommodate fishing or cruising trips. Has overnight capabilities in the cabin with a nice double berth and a galley and head as well. And this vessel has **AIR CONDITIONING** to keep you comfortable at the dock on those steamy nights. She has the perfect combination of size and comfort to make every trip the best it can be for any coastal excursion. It is one of those boats whose enduring popularity has made her a classic design in every sense of the word. Aside from the quality Tiara construction and sporty profile, the appeal of the 2900 has much to do with the large entertaining or fishing cockpit and comfortable daytime or weekend interior.

Manufacturer Provided Description

The Tiara 2900 Coronet has versatility, wide-open cockpit space, and plenty of options. Whether monitoring the gauges, checking the oil, or reaching for a cold drink, the 2900 Coronet was designed for easy access to all the integral areas - helm, engine and wet bar. While designed to be a multipurpose day boat, the 2900 Coronet - with it's 6-foot 4-inch V-berth, mini galley, and private head - also provides enough room and comfort for overnight stays. The custom-welded aluminum windshield, standing six feet over the cockpit sole and 32 inches over the helm, provides enough coverage to keep passengers dry even in the roughest of waters.
