SPECIFICATIONS

Overview

2018 Bayliner VR6 Bowrider OB Very clean

A larger version of our VR5, the VR6 is also all about space and unparalleled roominess. It combines Bayliner's category-leading Beam Forward™ design and Aft Advantage™ concept—which increases the self-draining cockpit's seating area by adding the swim platform at the end of the running surface. This boat maximizes space and value like never before—regardless of whether you choose outboard or sterndrive power. You'll also find pleasant surprises like a lockable enclosed changing room (head optional), and aft-facing companion/observer seat that's ideal for water sports and—with the addition of a filler cushion—creates a comfortable U-lounge that turns the whole aft section into an inviting gathering area.
