SPECIFICATIONS

Overview

A Great 2005 Family Cruiser

The 310 Signature—is a traditional mid-cabin express notable for her attractive styling and well-appointed interior. Chaparral builds a quality boat and the 310 stood apart from many other cruisers her size for her excellent tooling and above average finish. Offers Air Conditioning which is a must here in FL. Built on a modified V hull with cored hull sides and a solid fiberglass bottom, so no worries about rotting stringers down the road. The 310's open-plan interior sleeps six in a layout a little different from most 30-foot cruisers. An offset double berth is forward in the salon, with plenty of space, and the 310's full-service galley includes a built-in microwave, Corian counters, and generous storage.

Cherry cabinetry, designer fabrics, and upscale furnishings highlight her entire cabin and her galley is notable for its generous storage. As many as six can be seated comfortably in the cockpit where a full wet bar, transom shower, are standard. Additional features include a transom storage locker, extended swim platform, walk-through windshield, double helm seat with bolsters. Two Mercuries 270hp gas motors with Bravo 3 sterndrives allow you to cruise in the mid 20s (about 30 knots top). This boat offers a Kohler 5KW Genset.

The design of the 310 Signature allows shallow water operation, with trip up outdrives, the depth is around 2' 6". This boat has always been lift stored, so there is no bottom paint to maintain.

Considered one of the best express cruisers under 30 feet, and priced to sell fast. This boat is ready to go, there are some cosmetic items that would allow this boat to shine, and serve the new owners for many years to come.
