## Overview

---

This is a 19,22m Azimut 62, luxury yacht for sale in Greece. Built in 2004 She has a Fibreglass (GRP) hull and superstructure with a beam of 5m and a draft of 1,30m. She can accommodate up to 6 guests in 3 cabins: a master suite, a VIP and a double cabin.

The Azimut 62 features an amazing exterior and a luxurious interior making this yacht unique. There is a large sun-pad on the starboard side, where several passengers can stretch out and enjoy the ride while keeping the captain company at the helm.

The spacious saloon is perfect for relaxing with friends as well as the open layout which offers excellent views. The Azimut 62 not only does have style, but it has substance as well. From little touches such as the hand-held spotlight at the upper station to the substantial construction of the passarelle, the 62 is a well-designed craft.
