SPECIFICATIONS

Overview

This unique vessel is crafted strictly in line with the Dutch tradition of quality, tailored meticulously by a knowledgeable owner throughout both design and build. Essentially, no basic option remains unrefined in the specification. Remarkably reliable German Vitus Deutz motors power it. Ultra-low noise emissions. Extra generator capacity. A substantial fuel reserve. Waste management system. Dual glazing. Isolation zone. Among myriad features that position this compact vessel as a formidable competitor in the long-range explorer market, boasting true transatlantic voyage autonomy. Superior sea-handling ability, a result of exceptional naval architectural precision, is instantly recognisable in the silhouette of the hull. This stylish explorer will continue to thrill its owner for numerous years. DE ALM's Delfino 60 is a unique opportunity in the market.
