SPECIFICATIONS

Overview

SILVER STAR I features a 'chevy white' exterior colour with darker elements on the superstructure and arch. The custom interior boasts furniture, fabrics and materials sourced from the well-known Italian luxury fashion designer ARMANI. Parts of the exterior deck design and loose outdoor furniture were also provided by the prestigious brand. Inside the new superyacht, her next owner will find the luxurious master suite on the main deck, with the equally sized VIP suite on the lower deck alongside the remaining four guest staterooms. Guests also have a well-appointed main saloon with a dining room that, at the touch of a button, can be exposed to the exterior thanks to the extra-wide glass sliding doors. Other key exterior areas are the beach club, the large multifunctional circular helipad and the upper deck. Here, a Jacuzzi, bar and connecting lounge create the perfect indoor-outdoor social environment.
