SPECIFICATIONS

Overview

Mythical collaboration between S&S and Nautor's Swan shipyard and sister ship to Sayula winner of the first Whitbread round the world race. Choucas III is hull number 34. She is kept ashore, so easily inspected and ready for a new owner TLC before new adventures. She has been converted to RONDAL in mast furling for ease of use. Engine has been replaced in 2020, Generator in 2022. Service batteries have been replaced in 2021. Plumbing redone in 2021, as well as diesel fuel plumbing; Aquadrive was replaced in 2021. Very well kept interior. Before new adventures await the masts and rig need to be checked; electronics need to be upgraded, new sails need to be considered. Some work on teak deck and toe rail need painting. Do not hesitate to contact us for more information and to schedule a visit.
