## Overview

---

We are Squadra Lupo Yachts. Exclusive Distributor for MAORI YACHTS in the US East Coast.

We believe yachts should be admired as a thing of beauty, upheld by dedicated craftsmanship and exhaustive attention to detail. It's no coincidence our yachts look the way they do. Their magnetism is hard to resist. The experience is always memorable. They exude a confidence that matches their performance, instilling their passengers with strength, balance and serenity to truly become one with the elements.

Let us introduce you to the Maori 64. This Luxury yacht is made in beautiful island of Sardinia, Italy. This yacht is in production and will be delivered by December 2023.

The best high performance sport yacht in the market!

This exclusive custom-made 2024 yacht includes Dupont metallic paint and it also includes a SEAKEPPER 2, the perfect add-on for boat stabilization.

There's still room to customize this 64ft luxury yacht according to your likes and needs!

As our intermediate-sized yacht, the 64ft proves to be suitable for anyone who seeks an intermix of swiftness and commodious interiors.

Inspired by the philosophy of a sports vessel, the 64ft brings together practicality and style with an elegant design that captures Marco Ciampa's minimalism. Its plunging wall structure, paired with sleek clean lines stimulate a close connection to the water, making it a manifestation of the brand's vision.

The yacht's identifiable hardtop cover provides a shady spot on deck where one can cool off after enjoying some rays on the spacious sundeck beneath which is a garage where a 2.80m waterjet tender may fit. Below deck lies a large master cabin alongside a living room that can be converted into a second cabin with the addition of a kitchen, two bathrooms and a crew area.
