## Overview

---

This 60 foot custom Chesapeake Bay style deadrise was built by Phil Jones of the P.L. Jones Boatyard in Hooper's Island, located on the Eastern Shore of Maryland. Jones is arguably one of the most respected boat builders in the region with many decades of experience. Based off of Jones' own ocean designed hull, this boat was first launched in June of 2021 and was built as a buy boat for the seafood industry in the mid-Chesapeake area. It has wide open decks, a 17 foot, six inch beam and powered by a pristine CAT C-32 engine. This impressive and unique vessel is built to last and must be seen to appreciate.
