**Trintella**  
We Build Your Dreams...

LUXURY — PERFORMANCE — ELEGANCE  
ALL FOUND IN THIS CRUISING YACHT DESIGNED BY RON HOLLAND

**11 Key Quality Distinctive Features of Trintella Yachts:**

- All aft and forward cockpits each can be equipped with full engine controls, instrumentation and steering.
- Trintella's unique twin cockpit layout provides comfort underway in fair & foul weather. The forward cockpit is partially enclosed with a "Cuddy", which is integral to the hull & provides excellent protection. The cuddy quickly and easily encloses, can be heated and air conditioned for comfort and provides excellent stability.
- Power windows, Luvette flat seats, and self-folding headlall systems easy sail handling.
- Full width in engine room with work benches covers most all systems.
- Weighted ballheads forward and aft give the yacht added integrity.
- The use of Kevlar in the well lid up hull maximizes hull strength throughout the yacht.
- The hydraulic transom door when lowered makes a very convenient and easy way to board the yacht or use as an excellent swim platform. When open there is access to a large lazarette storage area.
- Beautifully appointed interiors with the option of heating up to three staterooms.
- Expertly designed to be easily and safely sailed by two people anywhere in the world.
