# SPECIFICATIONS

---

## Overview

---

A superb display of European and American design and engineering. SEA CLASS was built by the renowned Abeking & Rasmussen shipyard of Germany and later completed a massive refit and hull extension by the finest American shipyard, Delta Marine, at a reported over \$13,000,000 with no expenses spared on equipment and interior detail. The boat was almost never cruised from 2010 until the winter of 2015 when the previous owners took delivery. SEA CLASS offers 6 comfortable Owner's and Guests Staterooms and a spacious forward crew area for 6. She has excellent charter potential with low initial investment. The efficient hull design by the legendary Tom Fexas can easily achieve Expedition Yacht cruising range of 5,000+ nm range at 10 knots.
