SPECIFICATIONS

Overview

We had a specific focus: The first 34-footer truly made for the angler and family. The 340CC has an optimized length-to-beam ratio for a family-fishing machine with a deep-V hull. We created an integrated visibility step that folds into the helm seat base. When deployed, it allows anyone to comfortably drive the boat. Storage is key for the family. Underneath the forward lounge seat is an expansive amount of storage for gear, dive tanks or fenders, buckets, bow table and forward backrests. It's a 34-foot boat with 40-50-foot type amenities. This 340CC is in stock and available for immediate delivery. The boat will be on display at the Ft. Myers Boat Show January 5-8, 2023. Options and Features include:
