## Overview

---

The Fjord 44 open has become the ideal boat of its size for day cruising. It is very appreciated by Yacht owners with Real Estate on the Coast and those who have previously owned large Yachts with multiple cabins and wish to return to the simplicity of day boating. The extensive Deck space with a complete, wide walk around and central console offer great safety to all passengers. The high freeboard avoids sea water and spray from splashing the windscreen which gives you an added sensation of safety and well-being on board the boat. The handling of this Fjord inside the port is easy and very precise due to the Joy Stick Steering System of the yacht.
