Accommodations

The Rinker 342 Fiesta Vee is a midsize family cruiser whose crisp styling, roomy interior and attractive price make her a popular choice for budget-minded boaters. Built on a beamy semi-V hull, the Fiesta Vee's original midcabin floorplan was arranged a little different from the norm in that the galley refrigerator is forward, under the double berth. On the downside, sitting headroom in both the fore and aft berths was very low in early models. Significantly, Rinker updated the boat for 2000 (when she became the 340 Fiesta Vee) with a lowered floor in the salon and new, taller, foredeck tooling that increased cabin headroom and overall living space. A new floorplan was introduced in 2002—along with an extended swim platform and additional fuel—when she became the 342 Fiesta Vee. The cockpit, with seating for six to eight, includes a full wet bar with sink and refrigerator. Additional features include a walk-through windshield, electric engine hatch, extended swim platform, and transom shower.
