SPECIFICATIONS

Overview

SEQUOIA is a rare aft cockpit Hood designed Little Harbor 50 featuring three private cabins, a spacious main salon and oversized cockpit for comfortable cruising and entertaining. Her moderate displacement hull with 5' – 10" shoal draft keel/centerboard configuration, driven by a tall, efficient sail plan, provides exceptional all-around performance. Her shoal draft also allows one to access to waters usually limited to smaller boats. Her handsome looks, meticulously-crafted joinerwork and extensive equipment list make SEQUOIA a must-see for one looking for value in a quality sailing yacht in this size range. Donated in 2022 and now available for long-term lease with option to purchase.
