SPECIFICATIONS

Overview

The Cabo 31 is a premium offshore express whose precise handling, exceptional range, and superb engineering set her apart from just about everything in her class in the mid 90s. Heavily built on a modified-V, a wide 12'5" beam gives the Cabo 31 the cockpit and interior space of many larger vessels. Standard features include an integral bow pulpit, bait prep center with sink, transom livewell, in-deck fish box, cockpit rod storage, fresh/raw-water wash-downs, gunnel rod holders, transom door with gate, power windshield vent, cockpit bolsters, cockpit rod storage, trim tabs, and cockpit lights. The entire helm deck lifts hydraulically for engine access. Below, the Cabo's well-appointed interior sleeps four and includes teak cabinets, teak- and-holly flooring, full-service galley with Corian counter, standup head/shower, and convertible dinette forward, and boasts a salon head room of 6'9". The attention to detail found throughout is exceptional. The Cat 350hp diesels will cruise the Cabo 31 in the high 20s.

Basic Information

Category: Sport Fisherman
