Overview

PRICE REDUCED FOR PROMPT SALE

"Purely By Chance" is a Head Turner, similar to a Hinckley or Sabre but with Style. Owners have witnessed many people taking selfies with her during their travels. She has traversed the entire Chesapeake Bay of Maryland/Virginia and sailed the round trip from the Chesapeake to Stuart, Florida on two occasions both via the ICW and outside. She recently cruised across the Gulf Stream from Stuart to the Abacos, Bahamas which proved her to be as seaworthy as she is good looking. The boat cruises comfortably at around 18 knots while burning approximately 25 GPH with a top speed of over 35 mph. The twin jets, powered by 960 horsepower Cummins, give her the handling of a sports car with the amenities of a larger boat. Having a draft of only 24", you can find and enjoy the remote spots that others can't and have beaches all to yourself. Don't want to be on the hook? Then dock like a pro at your favorite marina or restaurant with the joystick and bow thruster. Maintained and upgraded with an Open Checkbook, you'll be hard pressed to find anything like her. Owners absolutely love the boat but have decided to move to something larger.
