SPECIFICATIONS

Overview

SKYFALL is the perfect yacht for family or group of friends looking to spend quality time onboard a comfortable, fast, and spacious yacht. Her 26.6 sqm flybridge is the perfect spot to spend your days and lunches with a 360° view.

The bow is one of the best for her category. Well organized and spacious with almost 15 sqm, it will be your preferred spot at anchor to sunbath or enjoy a drink in total privacy. Once berthed in a marina no one can see you from the dock.

The main salon can be used for dining on cold days and relaxing thanks to the large sofa. The galley located on the lower deck gives peace to the guests while the chef is preparing your favorite meal.

Located mid-ship, the master cabin is spacious with 21.5 sqm and features a modern design with bathroom sliding doors.

A rare feature of this size of yacht is the fact that all cabins have their own bathroom. Supported by 2 crew, the guests can enjoy their time onboard without having to worry about anything.
