SPECIFICATIONS

Overview

Forged by a collaboration between Alloy yachts, Ed Dubois, and Redman Whitley Dixon she is a true thoroughbred four stateroom sloop. Built for an experienced owner who cherished her from delivery in 1995 until 2019, when she was purchased by her second and present owner.

Designed as a fast cruiser, her sailing credentials remain unquestioned - most recently winning the 2020 Millennium Cup. In 2021 MISS SILVER returned to Auckland for a comprehensive bow to stern refit. Her fully renewed interior now features fabulous joinery, new fabrics & furniture, top of the range AV / IT and a brand new galley. On the exterior she was painted, had her decks replaced and has new sails, helm stations, control systems and bright work. Relunched in 2022 following this stunning multi-million-dollar refit, MISS SILVER is ready for global cruising.
